

# OLA 1: HTML

Due date: 11:59 pm 02/06/2024

## Step 1: Create your first webpage in edStem

It should have the following:

### 1. a title

Such as John Doe's homepage.

### 2. a paragraph

A paragraph to introduce yourself.

### 3. a picture

One of your favorite pictures displayed in size 200px\*300px(it can be either local or online, do not forget to upload the photo if you choose to display a local photo)

### 4. a hyperlink

A link to your favorite website.

### 5. a list

A list to introduce your hobby. Please use another bulletin rather than None.

### 6. a table

A table that can display your favorite movies. For example:

Movie Title	Director	Year
The God Father	Francis Ford Coppola	1972
Forrest Gump	Robert Zemeckis	1994

### 7. a Bookmark

Bookmarks to "go to the top" of your webpage

### 8. headings

Use headings to separate each part (2-8)(use different headings to show different importance)

## 9. formatting

Use the formatting to highlight your importance.

## 10. Comments

Add necessary comments to your webpage.

## Step 2: Submit

Please submit your OLA1 by clicking submit in edStem.

## Grading

There are 100 points in total. 10 points for each part in step 1 to step 10. If you have any question, email me at [Xin.Yang@mtsu.edu](mailto:Xin.Yang@mtsu.edu) or stop by my office at KOM301G.
